Whiskey Hill

Winery

Whiskey Hill Reliable Red Blend
Technical Data

Winemaker Notes:

This is the first Whiskey Hill Red Blend. Marechal Foch & Léon Millot are naturally low in acid and tannin and are well balanced by the higher acid Pinot Noir & Syrah. This balance results in a smooth mouth feel enhanced by a mix of both French & American Oaks. Reliable Red is a delightful mix of Willamette Valley fruit that wont let you down. Enjoy!

Chris
